**SERVING ADULTS
WITH DISABILITIES**

Services for people with developmental disabilities in the Richland County area include placements in community employment, ongoing employment support, vocational training and evaluation, child and family services, and Respite care. These services are provided by a staff of experienced and highly qualified individuals with the training and educational backgrounds necessary to ensure the most positive outcomes for your loved ones with disabilities.

**SERVING CHILDREN WITH
SPECIAL NEEDS**

The ABC Program (All Babies Can) provides home-based, developmental services to children ages Birth to Three, and their families, who are at risk of academic delays because of external factors such as low birth weight, single parent, teen parent, etc. Social and educational opportunities are offered to the whole family in an environment designed to nurture educational growth. The ABC Program serves Richland, Lawrence, Jasper and Crawford counties. Call for a free developmental screening.
