

Tennis Eagles have high hopes

By **TERRY LIDY**

Led by the return of six seniors, Coach Pete Pasero is hoping that most of his upper classmen now in their third and fourth year of tennis

will pay dividends.

Returning are Sydney Miller, Rachel Frichtl, Kendra Will, Samantha Webb, Liz Frichtl and Nicole Stewart. Others who will help fill the

void include Ashley Lindsey, Jennifer Niemerg, Emily Stewart, Kaitlin Vahling, Jody Rauch and April Webb.

“My philosophy is that the girls need to

learn the game and have fun in doing so. They need to learn the basic skills of the game and build on that,” commented Pasero, who will be assisted by John Miller.
